ENRICHMENT SERVICES PROGRAM, INC  
Harris County

## VISION

Every family is thriving and engaged in the community.

## MISSION

Enrichment Services Program empowers families to thrive through quality education, services, and partnerships.

ESP is committed to increasing the awareness of the impact of poverty and implementing strategies for reducing it. We identify and remove barriers to achieve family stability and promote interdependency. Turning hope into reality, ESP motivates residents toward a desirable future and encourages them to become a healthy contributor to the life of our community.

## SERVICES PROVIDED

### EDUCATION

Early Head Start promotes healthy prenatal outcomes, enhances the development of infants and toddlers, and promotes healthy family functioning.

Head Start is a national school readiness program. It provides comprehensive education, health, nutrition and parent involvement services to children, ages 3 to 5 and their families.

### STABILIZING

The Low Income Home Energy Assistance Program helps households with low-incomes pay their home heating and cooling bills.

Enrichment Services Program, Inc. partners with Feeding the Valley to implement a food distribution program that provides a food package to participants once a month. The food package is designed to improve the health of recipients by supplementing their diets with nutritious USDA commodity foods that are designed to provide protein, calcium, iron and vitamins A and C.

### FAMILY STRENGTHENING

Assessments, Goal Setting and Case Management services are provided to families to help them become self sufficient/economically stable.
